Item 4 Advisory Business

Description of Firm

Peak Financial Investing, LLC is a registered investment adviser based in Chester, Massachusetts. We are organized as a limited liability company ("LLC") under the laws of the State of Wyoming. We are owned by Christopher H. Martenson.

The following paragraphs describe our services and fees. Refer to the description of each investment advisory service listed below for information on how we tailor our advisory services to your individual needs. As used in this brochure, the words "we," "our," and "us" refer to Peak Financial Investing, LLC and the words "you," "your," and "client" refer to you as either a client or prospective client of our firm.

Types of Advisory Services

As a solicitor, we refer potential clients to unaffiliated Registered Investment Advisers ("RIA") firms who are registered investment advisors. The unaffiliated RIA firm is responsible for individual client suitability and portfolio management on an initial and ongoing basis. We will not provide any investment advisory services to the client. In no event shall Peak Financial Investing participate in the management of client accounts or render investment advice to clients on behalf of the third party investment adviser. Clients should review the most recent relevant brochures or equivalent disclosure documents of the unaffiliated RIA's that detail their applicable programs and the compensation to be paid by you and what portion of the same is received by us for our solicitation services and the association between our Firm and the unaffiliated RIA's. Clients are under no obligation to utilize the services of the advisors to whom they are referred. Clients who engage the unaffiliated RIA will sign an investment advisory agreement with the unaffiliated RIA.

The unaffiliated RIA will provide the client their most recent relevant brochures or equivalent disclosure documents that detail their services and the compensation to be paid for the services they provide and what portion of the same is received by us for referring the client to the unaffiliated RIA. Clients who engage the unaffiliated RIA will sign an investment advisory agreement with the unaffiliated RIA.

Currently, we are acting as a solicitor for only one unaffiliated advisory firm, Kiker Wealth Management, LLC (CRD 154405).

Assets Under Management

Peak Financial Investing operates as a Solicitor and does not have investment advisory clients; therefore, there are no assets under management at our Firm.

Item 5 Fees and Compensation

Solicitor Fee

The fees payable to us for these referral services depend upon the fee arrangement between our Firm and the unaffiliated RIA to whom you are referred. We will receive a portion of the unaffiliated RIA's ongoing account management fees as compensation for our solicitation services.

For Kiker Wealth Management, LLC, the Company receives 30% of the fee paid to the charged to the referred client. The fee shall be paid solely from the unaffiliated RIA and will be paid to us within 30 days of the unaffiliated RIA's receipt of the advisory fee from the client.

The fees described above, which we receive from the unaffiliated RIA to whom you are referred, will also apply to any members of your immediate family living in your household that you introduce to the unaffiliated RIA and that subsequently open accounts with the unaffiliated RIA. Any such family members will be asked to enter into an Advisory Agreement with the unaffiliated RIA.

Referred clients have no obligation to pay any compensation directly to Peak Financial Investing. Our Firm seeks payment of its compensation solely from the unaffiliated RIA to whom it recommends clients.

The duration of payments from the RIA to Peak Financial shall continue for as long as you or your immediate family, if applicable, remains a paying investment management client of the RIA.

Item 6 Performance-Based Fees and Side-By-Side Management

We act solely as a solicitor for unaffiliated Investment Advisers. We do not accept performance-based fees or participate in side-by-side management.

Item 7 Types of Clients

Our customer base for referrals include individuals, including high net worth individuals; investment companies; pooled investment vehicles; charitable organizations; corporations; and other businesses.

The unaffiliated RIAs to whom you are referred may impose minimum account sizes for participation in their advisory services. Please refer to the unaffiliated RIA's Form ADV Part 2A for information on applicable minimum account sizes, if any.

Item 8 Methods of Analysis, Investment Strategies and Risk of Loss

Methods of Analysis and Investment Strategies

We refer clients to unaffiliated RIAs who offer a selection of different investment approaches. This includes trend following, countertrend, technical signal based, fundamental and tactical asset allocation strategies. Information of each unaffiliated RIA's method of analysis and investment strategies are described in their respective ADV Part 2A brochures or other disclosure documents that will be provided upon the referral.

Risk of Loss

All investment programs have certain risks that are borne by the investor. The advice offered to you is determined by the areas of expertise of the unaffiliated RIA providing the service and your stated objective. We advise you to notify the unaffiliated RIA promptly if there are ever any changes in your financial situation or investment objective or if you wish to impose any reasonable restrictions upon their management services.

We do not represent, warrant, or imply that the services or methods of analysis employed by the unaffiliated RIAs we recommend can or will predict future results, successfully identify market tops or bottoms, or insulate you from losses due to market corrections or declines. All securities trading, whether in stocks, options, or other investment vehicles, is speculative in nature and involves substantial risk of loss that clients should be prepared to bear. Past performance is not necessarily indicative of future results. You should make every effort to understand the risks involved.
